

RULES AND REGULATIONS

1. The Participants must be studying in High School (Grade 8 - 10) or Pre-University College (PUC)
2. A team can have a minimum of 1 member and maximum of 4 members.
3. Only the Team leader can register in the portal.
4. The Team leader should add the complete details of their team members.
5. The Participants must create teams from their own institution.
6. The PUC participants cannot form the team with Highschool Students.
7. To be applicable for the top 100 projects funding, team must register their team with project details on or before October 15, 2024
8. You still can register your team after October 15, 2024 and be eligible for winning the prizes in the finale but will not be eligible for Project funding.
9. If the name of a particular institution is not mentioned, select “other” option and then enter the school/college name.
10. After completing the registration process, each member will receive a confirmation mail with a unique team code which can be checked in the promotions list (next to the inbox).
11. **Reminder:**

The team code or ID that you receive in your confirmation mail is very important as it is necessary for registration on the final day of SSTH.
12. Only the team leader can make changes to the details.
